

## **Janusz Dziemidowicz**

Janusz Dziemidowicz - Chief Technology Officer. Janusz Dziemidowicz has been working in Ten Square Games since its establishment in 2011. To fulfil his everyday responsibilities he uses years of knowledge and experience in the field of programming, administration and system architecture. He was involved in creating, developing and maintaining many of the company's products, including its bestselling titles: Let's Fish, Wild Hunt and Fishing Clash.

In 2007-2013 he was among people maintaining and developing the largest social network in Poland – Nasza Klasa. In the years 2007-2009 he was System Administrator and from 2009 to 2013 he fulfilled the role of Software Architect. He contributed to the network's key elements such as its internal communicator and the platform for games and payments.

He graduated in IT at Wroclaw Institute of Computer Science, where he still delivers guest lectures to students.

Competences: IT, server infrastructure, Machine Learning and new technologies.
