2. The share capital is reduced by the cancellation of 858,822 (in words: eight hundred and fifty-eight thousand, eight hundred and twenty-two) own shares held by the Company, which are series A ordinary bearer shares, each with a nominal value of PLN 0.10 (ten groszy), with a total value nominal value of PLN 85,882.20 (eighty-five thousand, eight hundred and eighty-two zlotys and 20/100), dematerialized and marked with the ISIN code: PLTSQGM00016 ("Own Shares").

"The share capital of the Company amounts to PLN 647,600 (in words: six hundred and forty-seven thousand, six hundred zlotys) and is divided into 6,476,000 (in words: six million, four hundred and seventy-six thousand) series A ordinary bearer shares, with a nominal value of PLN 0.10 (ten groszy) each."

§ 4

The resolution comes into force upon its adoption, provided that the reduction of the share capital and the creation of reserve capital and the amendment of the Company's Articles of Association will take place upon entry of the changes in the register of entrepreneurs of the National Court Register.

Justification of the Company's Management Board to draft resolution no. 29:

To the extent indicated in §1 of the resolution - in accordance with Art. 360§1 of the Commercial Companies Code, the redemption of shares requires a reduction of the share capital. However, the resolution on the reduction of the share capital should be adopted at the general meeting at which the resolution on the redemption of shares was adopted - hence the resolution in question is a consequence of the adopted sequence of events. Pursuant to Art. 455 §1 of the Commercial Companies Code, the share capital is reduced by amending the Company's Articles of Association, among others. by redeeming part of the shares. Additionally, the change in the designation of all ordinary bearer shares issued by the Company has an orderly nature in connection with the recalculation of the number of shares in the new share capital created after its reduction.

To the extent indicated in §2 of the resolution - in accordance with Art. 457§2 sentence 1 of the Commercial Companies Code, in the event of a reduction of the share capital (in the case specified in Article 360 § 2 of the Commercial Companies Code, i.e. redemption of shares for which the remuneration of the shareholders of the redeemed shares is to be paid exclusively from the amount which, in accordance with Article 348 § 1 of the Code commercial companies may be intended for division), the amounts obtained from the reduction of the share capital are transferred to a separate reserve capital.

To the extent indicated in §3 of the resolution - the amendment to the Articles of Association is related to the adoption of a resolution on the (voluntary) redemption of shares. Pursuant to Art. 360§1 of the Commercial Companies Code, the redemption of shares requires a reduction of the share capital, while pursuant to Art. 455§1 of the Commercial Companies Code, the share capital is reduced by amending the Articles of Association.
