5. INFORMATION ON THE MANNER OF EXERCISING THE VOTING RIGHT BY A PROXY, INCLUDING IN PARTICULAR INFORMATION ON THE FORMS TO BE USED DURING VOTING BY PROXY AND THE MANNER OF NOTIFYING THE COMPANY OF THE APPOINTMENT OF A PROXY USING ELECTRONIC MEANS OF COMMUNICATION

A shareholder who is a natural person may participate in the General Meeting of Shareholders and exercise their voting rights in person or by proxy(s).

Members of the Management Board and employees of the Company may be proxies at the General Meeting of Shareholders.

A proxy shall exercise all shareholder's rights at the General Meeting of Shareholders, unless otherwise specified in the power of attorney. A proxy may grant a further power of attorney, if this results from the content of the power of attorney. A proxy may represent more than one shareholder and cast different votes from each shareholder's shares. A shareholder holding shares recorded on a collective account may appoint separate proxies to exercise the rights attached to shares recorded on that account. A shareholder, holding shares recorded on more than one securities account, may appoint separate proxies to exercise the rights attached to shares recorded on each account.

If the proxy attending the General Meeting of Shareholders is a member of the Management Board, member of the Supervisory Board or an employee of the Company or a member of the governing bodies or an employee of the Company's subsidiary, the power of attorney may authorize them to represent the shareholder only at one General Meeting. The proxy is obliged to disclose to the shareholder the circumstances indicating the actual or potential conflict of interest. The granting of a further proxy is excluded and the proxy shall vote in accordance with the instructions given by the shareholder.

A power of attorney authorizing a person to participate in the General Meeting of Shareholders and exercise the voting right must be granted in writing or in electronic form. Granting a power of attorney in electronic form does not require a secure electronic signature verified by means of a valid qualified certificate

At the time of drafting the attendance list of the General Meeting of Shareholders, a proxy holding a written power of attorney must submit the original power of attorney, a copy certified by a notary public or an official agency to be a true copy of the power of attorney, or a copy made in accordance with applicable regulations, together with copies of documents confirming the authority to represent the shareholder (current excerpt from the National Court Register in the case of legal persons and partnerships). In order to identify the shareholder and the proxy representing them, a document confirming the granting of the power of attorney must be presented or submitted to the person or persons appointed to register the shareholders with the documents specified in item 12 of this announcement.

Granting a power of attorney in electronic form should be notified to the Company's Management Board by means of electronic communication. A shareholder shall notify the Company of granting or revoking a power of attorney in electronic form via e-mail sent to wza@tensquaregames.com not later than by May 12th, 2025 until 8.00 p.m. (failure to comply with the deadline for notifying the Company of granting a proxy in electronic form does not prevent the proxy from participating in the General Meeting of Shareholders on the basis of the proxy granted in writing).

The notification of granting the power of attorney should include an accurate identification of the proxy and the principal (in the case of natural persons, it will be their name, surname, telephone number, and e-mail address, in the case of persons other than natural persons, name and registered office, National Court Register entry number, telephone number, and e-mail address). Information on granting a power of attorney should also include its scope, i.e. indicate the number of shares from which voting rights will be exercised, and the date and name of the general meeting of shareholders at which these rights will be exercised. Along with the notice, the shareholder or person entitled to participate in the General Meeting of Shareholders must send:

- a) a document confirming the granting of a power of attorney;
- b) documents specified in section 12 of this notice.

If any of the above-mentioned documents is drawn up in a language other than Polish, the proxy is obliged to attach thereto a certified translation into Polish.

If a shareholder gives instructions to a proxy to exercise voting rights (also using the proxy voting instruction form located at the above website address), the Company will not verify whether the proxy exercises voting rights in accordance with the instructions of the principal.

The Management Board shall have the right to verify the notifications sent and to take actions aiming at identifying the shareholder and the proxy as well as at verifying whether the power of attorney is legally binding. Verification may consist, in particular, of a question asked by telephone or by e-mail to the shareholder or to the proxy in order to confirm the proxy and its scope.

In case of any doubt, the Company may take further steps to verify the validity of the power of attorney granted in electronic form and to identify the shareholder and the proxy; in particular, it may request the proxy to present additional documents. The Company reserves that a failure to answer the questions asked during the verification process will be treated as an inability to verify the granting of the power of attorney and will constitute a basis for denying the proxy the right to participate in the General Meeting of Shareholders.

The notifications which do not meet the aforementioned requirements shall not be legally binding on the Company. The Company shall not be liable for errors in completing a power of attorney document or for the actions of persons using powers of attorney.

The above rules apply *mutatis mutandis* to the amendment or revocation of the granted power of attorney.
